A decorative graphic at the bottom right of the page features several interlocking gears in shades of blue and yellow. Overlaid on these gears are various symbols including plus signs, minus signs, and arrows. A vertical column of binary code (0s and 1s) is positioned to the left of the gears, with some characters highlighted in yellow.

National Foreword

This European Standard EN 302 326-3 V2.1.1 (2021-09) was adopted as Luxembourgish Standard ILNAS-EN 302 326-3 V2.1.1 (2021-09).

Every interested party, which is member of an organization based in Luxembourg, can participate for FREE in the development of Luxembourgish (ILNAS), European (CEN, CENELEC) and International (ISO, IEC) standards:

- Participate in the design of standards
- Foresee future developments
- Participate in technical committee meetings
