ILNAS-EN 14435:2004

Respiratory protective devices - Self-contained open-circuit compressed air breathing apparatus with half mask designed to be used with positive

Atemschutzgeräte - Behältergeräte mit Druckluft (Pressluftatmer) mit Halbmaske zum Gebrauch für Überdruck - Anforderungen, Prüfung,

Appareils de protection respiratoire -
Appareils de protection respiratoire isolants autonomes à circuit ouvert, à air comprimé avec un demi-masque conçus

National Foreword

This European Standard EN 14435:2004 was adopted as Luxembourgish Standard ILNAS-EN 14435:2004.

Every interested party, which is member of an organization based in Luxembourg, can participate for FREE in the development of Luxembourgish (ILNAS), European (CEN, CENELEC) and International (ISO, IEC) standards:

- Participate in the design of standards
- Foresee future developments
- Participate in technical committee meetings

NORME EUROPÉENNE
EUROPÄISCHE NORM

EN 14435

August 2004

ICS 13.340.30

English version

Respiratory protective devices - Self-contained open-circuit compressed air breathing apparatus with half mask designed to be used with positive pressure only - Requirements, testing, marking

Appareils de protection respiratoire - Appareils de protection respiratoire isolants autonomes à circuit ouvert, à air comprimé avec un demi-masque conçus exclusivement pour une utilisation en pression positive - Exigences, essais, marquage

Atemschutzgeräte - Behältergeräte mit Druckluft (Pressluftatmer) mit Halbmaske zum Gebrauch für Überdruck - Anforderungen, Prüfung, Kennzeichnung

This European Standard was approved by CEN on 19 May 2004.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This document (EN 14435:2004) has been prepared by Technical Committee CEN/TC 79 "Respiratory protective devices", the secretariat of which is held by DIN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by February 2005, and conflicting national standards shall be withdrawn at the latest by February 2005.

This document has been prepared under a mandate given to CEN by the European Commission and the European Free Trade Association, and supports essential requirements of EU Directive(s).

For relationship with EU Directive(s), see informative annex ZA, which is an integral part of this document.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard : Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
