National Foreword

This European Standard EN 60335-1:2002/A2:2006 was adopted as Luxembourgish Standard ILNAS-EN 60335-1:2002/A2:2006.

Every interested party, which is member of an organization based in Luxembourg, can participate for FREE in the development of Luxembourgish (ILNAS), European (CEN, CENELEC) and International (ISO, IEC) standards:

- Participate in the design of standards
- Foresee future developments
- Participate in technical committee meetings

und ähnliche Zwecke
Teil 1: Allgemeine Anforderungen
(IEC 60335-1:2001/A2:2006 +
corrigendum 2006)

This amendment A2 modifies the European Standard EN 60335-1:2002; it was approved by CENELEC on 2006-07-01. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this amendment the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This amendment exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom.

Foreword

The text of document 61/2996/FDIS, future amendment 2 to IEC 60335-1:2001, prepared by the IEC Technical Committee 61, Safety of household and similar electrical appliances, was submitted to the IEC-CENELEC parallel vote and was approved by CENELEC as amendment A2 to EN 60335-1:2002 on 2006-07-01.

The following dates are applicable:

- latest date by which the amendment has to be implemented at national level by publication of an identical national standard or by endorsement (dop) 2007-04-01
- date on which national standards conflicting with the amendment have to be withdrawn (dow) 2009-07-01

This amendment supplements or modifies the corresponding clauses of EN 60335-1:2002.

There are no special national conditions causing a deviation from this amendment.

There are no national deviations from this amendment.

- p NOTE In this document, p is used in the margin to indicate instructions for preparing the printed version.

Endorsement notice

The text of amendment 2:2006 to the International Standard IEC 60335-1:2001 and its corrigendum August 2006 was approved by CENELEC as an amendment to the European Standard without any modification.

- p Replace Annex ZC (of EN 60335-1:2002/A1:2004) by the new Annex ZC.
- p In Annex ZD (of EN 60335-1:2002), correct the IEC reference for Ordinary polyvinyl chloride sheathed flexible cord to read "60227 IEC 53".
-

Annex ZC (normative)

Normative references to international publications with their corresponding European publications

The following referenced documents are indispensable for the application of this document. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

NOTE When an international publication has been modified by common modifications, indicated by (mod), the relevant EN/HD applies.
