## **Measurement of fluid flow by means of pressure differential devices —**

### **Part 1:**

Orifice plates, nozzles and Venturi tubes inserted  
in circular cross-section conduits running full

*Mesure de débit des fluides au moyen d'appareils déprimogènes —  
Partie 1: Diaphragmes, tuyères et tubes de Venturi insérés dans des  
conduites en charge de section circulaire*

Reference number  
ISO 5167-1:1991(E)
