

IEC 60794-1-1
(3rd edition – 2011)

Optical fibre cables –
Part 1-1: Generic specification – General

CORRIGENDUM 1

Replace items b) and c) of the Foreword with the following:

- b) the informative Annexes A “Guide to the installation of optical fibre cables” and B “Guide to hydrogen effects in optical fibre cables” have been deleted from this standard and will be published as separate Technical Reports;
- c) the informative Annex C is renamed Annex A and the informative Annex B “Guide to qualification sample” is added.
